DIVIDEND OF SPONSOR BINARY INCOME

YOUR SPONSOR ID 'A' and 'B'

Let's assume that due to some reason 'B' id's team did not develop.

But 'A' is getting matching income of RS 1,00,000.00 weekly.

Since A is your direct sponsor, So you will get dividend of sponsor binary income i.e 10% of 'A' matching income which is RS 10,000.00

And if B's team also develops and whatever income ID B earns in a week, you will also get 10% of that income as well. This way, whatever sponsor IDs you have, whatever matching income they make in a week, you will get 10% of each of them.

This is one leg income.

WEEKLY CAPING

15PP- If you activate id in 15PP then you will get matching income up to Rs 40,000/- in 1 week.

30PP- If you activate id in 30PP then you will get matching income up to Rs 60,000/- in 1 week.

55PP- If you activate id in 55PP then you will get matching income up to Rs 1,20,0000/- in 1 week.

100PP- If you activate id in 100PP then you will get matching income up to Rs 2,00,0000/- in 1 week.

After becoming red diamond, 1 lakh will be given every month in addition to matching income and level bonus
